

## DR. DISH iC3

Get Better Faster with the iC3 Basketball Shot Trainer. Spend more time shooting and less time chasing the basketball, improving your shooting form with every rep.

### NO MORE CHASING REBOUNDS

Our anti-glare black net catches and returns both made and missed shots.

### 3X MORE REPS

Train with up to 2 balls at once to get 3x more reps or up to 800 shots per hour.

### 180 DEGREE ROTATION

The return chute manually rotates 180 degrees to return the basketball anywhere around the court.

### ENCOURAGES PROPER FORM

The rebound net sits 44 cm above the rim which trains players to develop an optimal 45-degree arc to improve shooting percentage.

### EASY TO SET UP AND PORTABLE

At only 16 kg and equipped with wheels, the iC3 is portable to train anywhere you practice, indoor or outdoor.

### BUILT TO LAST

With free shipping\* and a full one-year warranty, our high-quality manufacturing, thorough testing, and quality assurance ensure you can train all day.

\*Free shipping is limited to US-48.
